

The Rotary Club of Toronto

2013 Youth Civic Leadership Awards

Young people are our future!!!

How many times has this well-worn phrase been used to express the possibility of things to come? At The Rotary Club of Toronto, we believe that young people in this city are not only our future, they are our present.

Youth in the GTA show civic leadership in many ways across all sectors of our society. We believe if we wish these young people to continue their leadership with compassion, creativity and tenacity, we must acknowledge and celebrate their many accomplishments.

Rotary would like you to join in this celebration. Are you a young person who has made a contribution to the community in which you live? Do you know of someone who deserves recognition for the leadership they show? Please help to encourage civic leadership in our city by recommending this individual for a Rotary Youth Leadership Award.
